

# Adell Hanson-Kahn

Jr. Web + Android Developer

adell.io    adell.hk@gmail.com  
(404) 406-5052    github/adellhk  
San Francisco, CA 94103    In/adellhk

## Skills

### Interpersonal

Pair programming; Engineering Empathy; A.S.K. Feedback; Agile Development

### Technical

Ruby; RSpec; Sinatra; Rails; JavaScript; Jasmine; jQuery; AngularJS; Git; PostgreSQL; Heroku;  
HTML; CSS; REST; JSON; AJAX; OAuth

## Projects

### WeThePAC - Android App ([Google Play Store](#))

- > This app serves as an accessory to the website (below). I wrote it in Java in four days as part of my group's seven day final project at Dev Bootcamp.

### WeThePAC.net

- > Express yourself in the money-laden landscape that is American politics by pledging and tweeting at your incumbent representative when they perform an action you support.
- > Implements design driven development.
- > Rails 4 API that serves JSON to a RoR and JS (jQuery, Handlebars, AJAX) front-end and Android app; real time updates furnished by Firebase, graphs rendered with D3js.

### Rockshoe.me

- > Rock climbing shoe review website with (unimplemented) fitment predictions.
- > Implements design driven development.
- > Sinatra, Heroku PostgreSQL, AJAX, HTML, CSS, jQuery, and Facebook OAuth.

## Experience

### Eyecatchers.me - Freelance Photographer

2012-2014

- > Captured actors and business professionals' likenesses for their self-representation and self-promotion.
- > Drew stories and emotions from clients; comforted and encouraged them so that they could show their best selves.

## Education

### Dev Bootcamp - San Francisco, California

2014-2015

*Immersive Web Development Program*

### Western Governors University - Salt Lake City, Utah

2013-2014

*Bachelor of Science in Business Management*
